WORK EXPERIENCE

Mercor **Los Angeles, CA**
Management Consultant Domain Expert *Apr 2026 – Present*

- Evaluate frontier large language model (LLM) outputs for leading AI research labs, applying management consulting expertise within industry benchmarks and business applicability.
- Audit model performance across system workflows to improve response quality, reasoning integrity, and logical coherence.

Accenture **New York City, NY**
Management Consulting Analyst *Apr 2023 – Dec 2025*

- Provided strategic guidance and actionable recommendations across financial services, capital markets, technology, public sector, and hospitality industries, enhancing operational efficiency.
- Conducted research and analysis to drive process improvements and cost savings for clients.

Selected Project Experience:

- **Mega Cap Banking Company (Post-Trade):** Optimized US Cash Equity post-trade latency by identifying critical AIT gaps (CoreTP, Clearing, GTR, MICS) and designing a real-time mainframe performance dashboard for stakeholders.
- **Large Cap Regional Banking Company (ERM & Controls):** Mapped current-state ERM processes against a standardized risk taxonomy and validated controls, leading to recommended process and control enhancements.
- **Mega Cap Banking Company (AppHQ Platform):** Led application lifecycle and data quality transformation, reducing development time; implemented a data governance framework ensuring workflow accuracy and stakeholder adoption.
- **Large Cap Investment Banking Company (2LoD Oversight):** Conducted peer benchmarking and a baseline study covering resourcing, processing, and tooling; delivered recommendations to strengthen Cyber and IT governance.
- **Large Cap Investment Banking Company (Regulatory Reporting):** Documented FR Y-9C, FFIEC 031, and FFIEC 009/009a processes by analyzing data flows and interviewing stakeholders to ensure compliance.
- **Large Cap Investment Banking Company (RCSA Methodology):** Built a dynamic refresh methodology with periodic and trigger-based updates; mapped real-time data sources and collaborated across risk, IT, and business teams on scoring models.
- **Mega Cap Technology Company (Book Management):** Revamped a system process addressing pain points in the Small Business Group; documented flows and facilitated transition to the redesigned marketing system.
- **Large Cap Travel Company (SAP S/4 Finance):** Supported the Treasury Lead on SAP S/4 Finance Platform delivery; streamlined treasury workflow via Smartsheet and led contract analysis to negotiate favorable supplier terms.

Experian **Costa Mesa, CA**
Summer Intern *May 2021 – Aug 2021*

- Conducted project based research and performance attribution reports to evaluate business performance, identify key trends & pain points, and summarize actionable insights.
- Managed data quality within database systems utilizing Excel, Salesforce, and the Experian platform.

CSUF Student Managed Investment Fund **Fullerton, CA**
Fixed Income Analyst *Jan 2021 – May 2022*

- Oversaw \$85,000 multi-asset portfolio funding CFA scholarships, ensuring compliance with a strict investment policy statement while targeting benchmark outperformance.
- Actively managed equity and fixed-income holdings using top-down and bottom-up analysis.
